Report of Principal and School Improvement Council

The children at Shaw Heights Elementary School have completed another exciting year. Our faculty and staff are committed to improving student achievement by holding high expectations for learning and social development. Through the use of instructional computer programs at school and at home, students in second and third grades gained knowledge in reading, math, and the skills necessary for them to succeed in the 21st Century.

Our afterschool ACES program offers students additional assistance in reading comprehension, in promoting inquiry learning, in encouraging higher-level thinking skills, and in developing students' problem-solving strategies. Our afterschool PASS preparation program is designed to prepare students for the PASS.

Community members and parent volunteers spend a great deal of time and effort working with our teachers and students to provide for our needs. Our volunteers truly enrich many of the activities provided to our students. Our school, Shaw Heights, is a magnificent educational atmosphere where learning is top priority, and we do our best to ensure that All Children Excel in School at the home of the Flying ACES.
